For and About Employees of  
the K mart Home Office

## Warm, sunny getaways

To chase away the midwinter, after-the-holidays blues, how about a warm weather vacation to Acapulco, Mexico or Jamaica.

K mart Corporation is offering two trips through Worldwide Specialist travel agency at special prices.

From March 12-19 you can fly to Acapulco and spend seven nights at the Holiday Inn, attend two cocktail parties and receive Acapulco discount coupons, transfers and baggage handling for \$579 per person based on double occupancy.

The Holiday Inn is located on the beach in the heart of Acapulco. It has two large pools, air conditioned rooms each with a private balcony.

You must book immediately for this trip to insure your reservations.

One week trips to Jamaica are offered with Saturday departures every weekend through April 26. You must pay your travel agent in full at least 42 days prior to departure.

The package includes round trip air fare, a welcome party, transfers, baggage handling and accommodations at your choice of five resort hotels. Prices begin at \$339 per person, double occupancy.

See June Davis in personnel for more information.

## Art show reminder

There are four weeks left to turn in your entry forms for the 13th Annual Employee Arts and Crafts Show.

The form is due February 21 and all artwork must be turned in by March 21 at noon.

The five categories this year are: oil/acrylic, watercolor, drawing, craft and photography. The winner from each category will receive a \$100 savings bond.

The artwork will be on display in the building April 11-15. The presentation of awards ceremony will be Sunday, April 10 at 2 pm.

For more information call 31531. Entry form is on the back page.
